

RecSys DK meetup #2

March 9, 2023 @ Wunderman Thompson

Toine Bogers

RecSys DK meetups

- Purpose
 - Meetups for everyone interested in recommender systems and personalization
- Format
 - Presentation by host
 - Two talks per meetup (typically one academic and one industry)
 - Other relevant RecSys news
 - Networking

RecSys DK meetups

- Target group
 - Aimed at people working in Denmark (and Øresund region?)
 - 28 people on our mailing list
 - 21 people signed up for today's meetup

RecSys DK website

<https://bit.ly/RecSysDK>

RecSys DK meetups

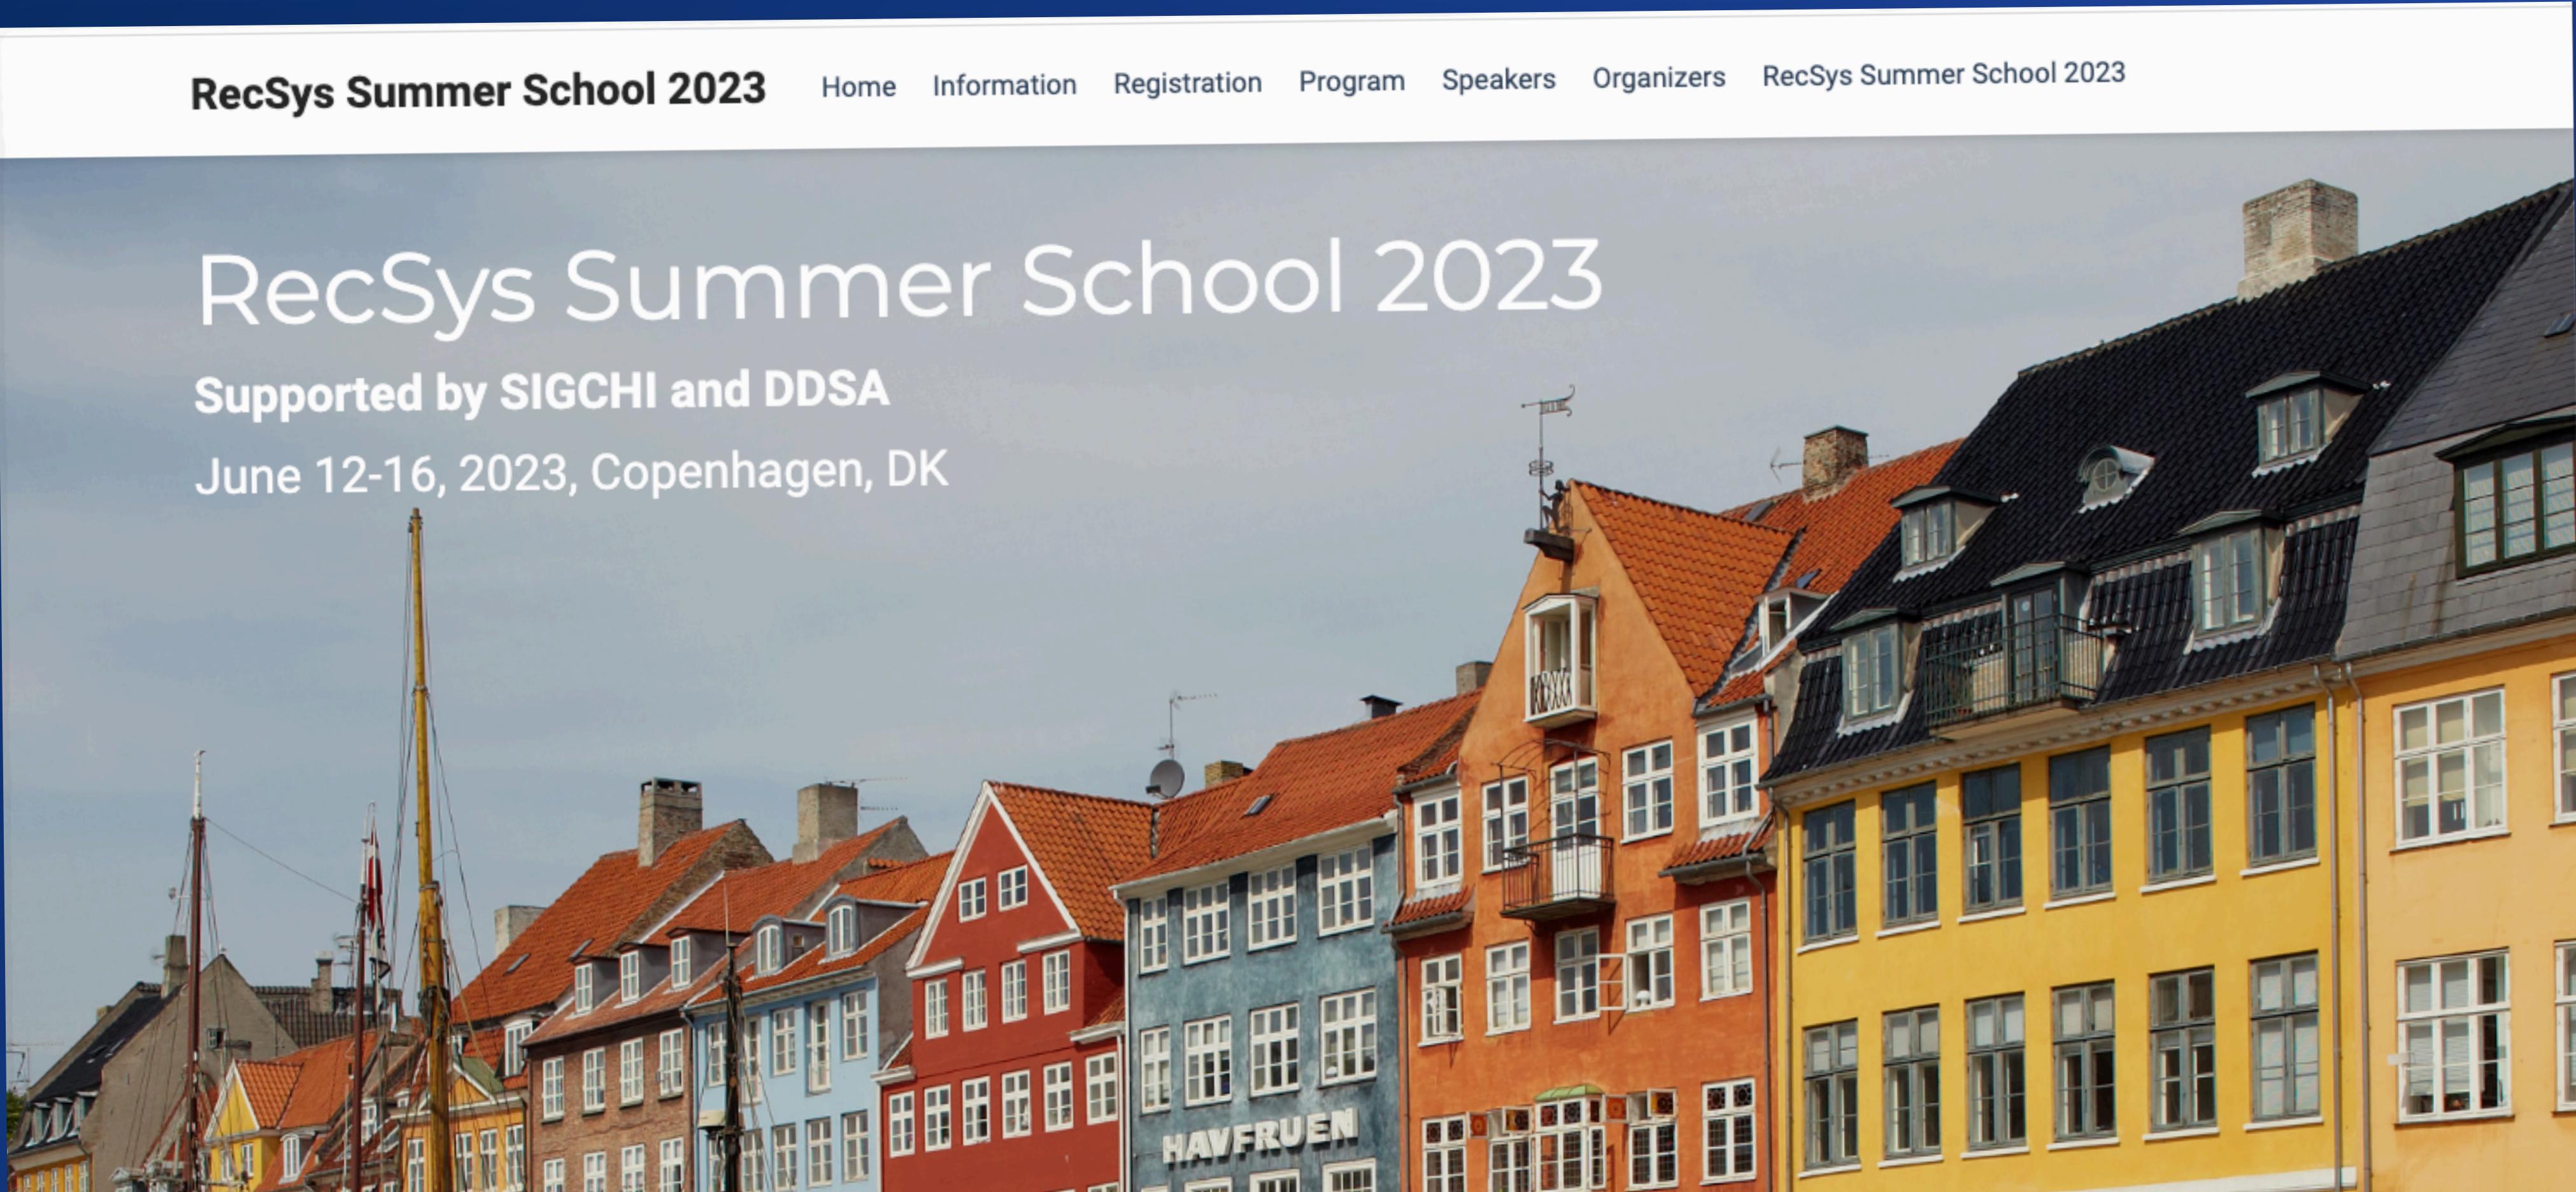

- **Organizing committee**
 - Johannes Kruse (DTU/Ekstrabladet)
 - Kim Falk (Shopify/Binary Vikings)
 - Maria Maistro (KU)
 - Mesut Kaya (AAU)
 - Morten Arngren (Wunderman)
 - Toine Bogers (ITU / P1 / AAU)

RecSys DK runs on volunteers!

- Contact us if you would like to volunteer to
 - Give a talk at the next meetup
 - Host the next meetup
 - Be involved in some other way
